

# FALL RETREAT

---

**Presented By ACA Members For ACA Members**

**At The Villa Desiderata**

**Sept. 21/22/23/2012**

**UNITY IS THE KEY**

**Together We Can Do, What We Could Never Do Alone.**

There's no simple way to change a lifetime of lived events that made us wonder if there was a better way to live our lives. With the help of our ACA/ACOA Groups, and our Big Red Book, We know that change is possible and that contentment and even happiness can be ours. The common thing that helps this change happen is our unity, the fact that we support and encourage each other as we go through those changes, and what better way to share our experiences, strengths, and hope with each other than on a spiritual retreat with like minded people.

If you have not enjoyed a retreat at the Villa, you are welcomed with open arms for a weekend of reflection, renewal and fellowship. The facilities are located on 7 wooded acres overlooking historical Pistakee Bay. Allow yourself to be absorbed by the peace and serenity, which surrounds this spacious home. A charming chapel is available for quiet reflection and meditation.

**NOTE:** Due to some recent changes, our meals are now catered in and we need to have an accurate head count so everyone gets something to eat. So we need to have your check or deposit of half by 9/17/12. No checks will be cashed before 9/24/12. We can always add more people to the list but we can't take away what we order without having to pay. So **PLEASE** send in your reservation ASAP.

On Friday night we try to pitch in for Pizza so those who came directly from work can get something to eat.

Bring your comfortable clothes; open your heart & mind for our weekend of encouragement & solutions.
