\* Yes, 9:30 is early for some of us to be ready to take off from this location on a Sunday morning, but we can do it, right? We're trying to beat the crowds and the heat.

\*\* Immediately east of Lake Shore Drive on Montrose there is an overpass. The sign below is directly south of that overpass. We'll meet in the shaded area immediately east of the sign. (We sure hope you know your directions!!) If you round the bend on Montrose Dr. heading north, you've gone too far.

There is free parking on Montrose.

\*\*\* Bring your own snack or buy something from a vendor. We'll stop for our meeting just north of the area shown below at North Avenue. (Exact location will depend on number of participants.
